

Figure 1: Landing Screen

When you first enter our site, this page welcomes you.

The Register screen of the CSMS website has a dark header with the same logo, navigation links, and user links as the landing screen. The main content area is white and features a registration form titled 'Register'. The form includes input fields for Name, Surname, Phone Number, Address, Email, Password, and Confirm password. A blue 'Register' button is positioned below the form. The footer is a dark bar containing the same project information, contact details, and copyright notice as the landing screen.

Figure2: Register Screen

When we click the register button on the top right, we register by obtaining the user information required from you to become a member.

Registered Successfully!
Now you can log in to your account.

Figure 3: Register Message Screen

After entering the required information as requested, the registration is successful.
